

LOVE SONGS

Week One

- Choose a love song in groups of four.
- Discuss and analyse the lyrics in your group, be sure to take notes individually since each of you will lead a discussion of the lyrics in a new group.
- **Analyse the lyrics.** For example; what is it about? Are there any persons involved? How are they described? What happens? Look at the language; What kind of words are used (adjectives, adverbs...)? Slang, grammar? Slangwords? How is love described? Positively/negatively? Can you detect any differences in the way men and women are described? Do you have any personal relation to the song? What is the message?
- Turn in a wordlist of ten words with explanations in English (one list for each group).

Week Two

Continue working with the analyses. **Turn in wordlists Friday!**

Week Three

Presentations in groups. Preparation for **glossary test**. (see planning)
