

Open future (chaos)

Flow of time

Moving line symbolizing the present

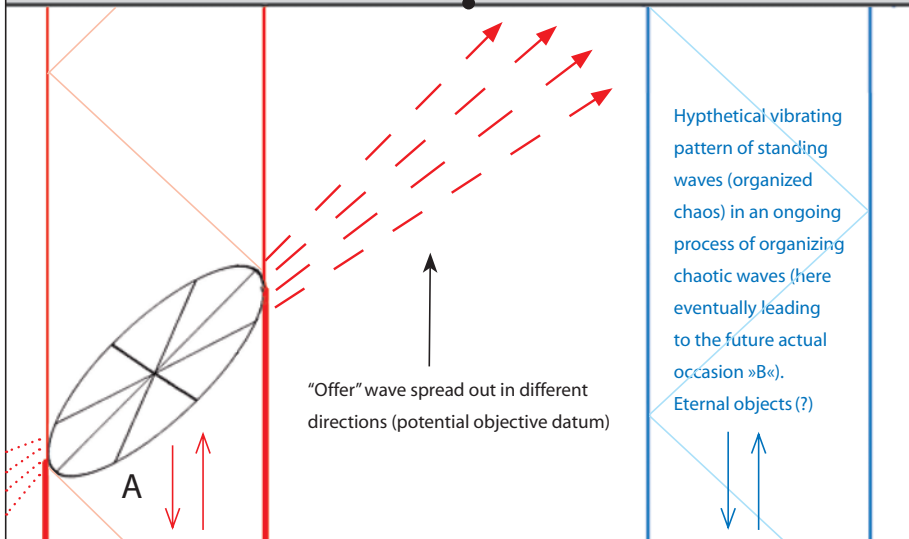

*Interpretation of Figure 1 in Sherburne's "Key to Whitehead's Process and Reality"*  
(The thin, light red and blue lines represent hypothetical patterns of standing waves)

## Open future (chaos)

Moving line symbolizing the present

Flow of time

Combined interpretation of Fig. 1 in Sherburne's "Key" and [Fig.4\(a\)](#) in Cramer's "Transactional Interpretation" modified by the introduction of a process concept of time (by Bo Herlin)
